II. Basis for Jurisdiction:

Federal courts are courts of limited jurisdiction. Only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case involving the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one state sues a citizen of another state and the amount in damages is more than \$75,000 is a diversity of citizenship case.

A. What is the basis for federal court jurisdiction? (check all that apply)

The Reality's Temple on Earth
 Internet Ministry
 Eagle Park Acres
 Illinois, 62060

Dear Temple on Earth:

Your comments was not offensive to me or an intelligent response, to the pain or truth that I wrote, on You Tube. Coon is a slang expression. And to make the statements that you made showing the late Dr. Khalid Muhammad, and stating "Black people beware of the "White" woman", was foolish and said a lot, as to who you are and who put you up to this madness, or where it came from (Mysterious Male), in which females and some males called up in my presences, stupid, as stupid is.

This male also called my Dominican Sister-in-law up, and spoke to my brother, (Darryl Thomas) her husband, while in my baby sister apartment. I also had Hispanic males and females call this mysterious male up, in my presence, now that's pure STUPID!!

Even tenfold odds against me do not count if I am fighting for truth and faith against enemies; but (I) remember clemency and consideration in the hour of VICTORY! Striving and fighting in defense of truth when attacked are necessary as tests of self-sacrifice.

I will not sacrifice a Queen (European) for a deceitful witch!! Let's me state theses actual facts, for the record. It was not "White" females or the "White" race or community that wanted me dead, it was "Black" people. Who enter into a covert/overt chain conspiracy against me, actual fact!!

Now you called me "stupid ass-hole", everyone has an ass-hole, and you tell me, based on the actual facts stated herein, wh is stupid and an asshole. Gayle Davis, New York City Probation General Counsel, invited two of her alleged lesbian lover or cult sisters to witness my sentencing in 2003, based an created crime, by the "African-American" cult, which is yoke to the homosexual terror cult, also known as "Freemasonry" or the "Illuminati". Probation Officer (Robert Adams) boldly and sadistically told me to suck his ****. While I was an active member of the Nation of Islam.

I had another female, not "White" set me up, because an "African-American" homosexual wanted me to accept his ill position on the Nation of Islam leader, and he also wanted to preform oral sex on me, that was his objective, and then he assaulted me, and lie about the event. I ask the female to come forward to tell the TRUTH, and she declined.

How can you open your mouth or present to me a statement, telling me to "beware of the White woman". They are my number one supporters. "Black" females don't support me, so why should i negate the best for the worst!! When they say "Brother" or "what's up brother", that's a con game. My number one support comes from Professional Jewish ladies. When "Black" female denied me assistance and lied on me to sent me back to prison, I knew who my enemies was, "Black" not the "White" female or the "white" race.

When, I requested an Bible in my family Church, the usher (Eastern Star) pointed to the homosexual Rev. Joseph T. Bright, Jr. I stated in 2005, to the "Black" community that a secret relationship exit between some Christian females and the "gay" elite, actual fact!! It was "Black" Human Services Providers who negated the insurance policy of the company, to deny me an award, when I successfully prevailed on a claim.

It is always a "Black" female who is behind any evil in my life, and my quest toward success, or financial independence. They use the Church and themselves as the key to advancement and want me to surrender to them, HELL NO!! You have a right to

mail - Intelligent Response

Page

sale your soul to the devil, but you don't have a right to impose that on me. If you want me, then respect me, and pay me for your evil deeds, that is the healing process, no other way. I have been stalked and attacked with messages of money, by them, and my Mother, as well. Don't attack me with your foolishness ask them what they did, before you open your mouth against me, and if you response to me, do it with intelligent, and not contemptuous.

The code word in this relationship is "I'm going to adopt your son". STUPID!! STUPID!! STUPID, and pure STUPID, in the fullest meaning of the word. New York City Probation Department got "African-American" and Hispanic-American youths performing oral sex on each other, at the same time. I witness an female allowing her males children's to let a sexual predator play with their penis for five dollars, and when I approached her, and asked her do you know what your kids are doing, and she said "it put food on the table", who is STUPID? Get a job, stupid!, or sale your ass, not destroy your children's future, growth and spiritual development.

It is my firm contention that the female at the prison, during intake, changed my record to reflect "manslaughter" in 1975, when I stated my faith as Islam. I reached out to "Black" females for assistance and they said no, but who do you think came to my aide? "White" females and people, so don't talk that BS to me, without knowing the facts, as to my position or statements of TRUTH!!

The female receptionist of the Bronx County Probation Department, I recall meeting her at the Masonic lodge in Central Harlem, always made signs of someone performing oral sex. I had an sexual encounter with a beautiful "white" female in the Bronx, and the woman who was watching across from her building was in Court, at Gayle Davis desk, on Jan. 31, 2003. Stupid or assholes, or pure lunacy or all of the them? Intelligent question I present to you.

Then we have Andrea Daniel, Tracy McBride Johnson, Jacqueline Best, Jacqueline Green, et.al, these females are not "White" and are evil!!!, no I recant that, pure evil, and deceptive. And as you know the devil is a liar, so if their life is about lying then they are saying to me, that they are the devil. WOW!! Powerful words of TRUTH!!

And they played a vital role in the chain conspiracy. Andrea Daniel and Tracy McBride Johnson are staff or former staff of the State of New York-Division of Parole. They told me out-right about the conspiracy that they enter against me. You call me stupid and an asshole, what are they? Females wanted me dead, because I had interest in the best females, females that represent "G-D" divine presence, from my perspective.

Today, it is "G-D" and two beautiful Russian Queens and my best friend who is Jewish who got my back, and pray for me, my success, and VICTORY!!

The opposition against me being with a European female or Hispanic female, is strong, and they are with "White" males, but are oppose to me, and others being with the best, yes, I said the best!!

So, you revealed to me, that you are part of the revolution movement, or the racial community, who want to blame the condition of your people on "White" people, and I bear to disagree with this view. The problem is our so-called sisters, and the community failure to stop the madness, and allowing homosexuality and lesbianism to be impose on your children's.

There is a divine price for this evil act, from our so-called leaders, females and the Church. I am forwarding your response to the FBI, and New York City Intelligent Division of NYPD, STUPID, "Black" females and males are connected to a cult sleeper cell terror network, STUPID, and I know all about it. And, if you just think about killing me or setting me up, ask yourself are you ready to die, as you are ready to kill? I'm not going to kill you, you are not worth it, "G-D" personally will kill you and your agents, and I know them all in the community, why? because a women told me.

Thank you reading the TRUTH, from a TRUTH activist,

Living Faith,

Dear Mr. Thomas-Bey,

Thank you for reaching out to my Community Office for assistance with proving to Medicaid that you are no longer enrolled in any of HELP/PSI's Health Home program. I rely on constituents like you to keep me informed of issues affecting our community, so I appreciate that you contacted my office for assistance.

I understand that you worked with Justin Simmons in my office, who contacted HELP/PSI on your behalf. I am delighted to hear that HELP/PSI became more responsive to your needs and contacted Medicaid Choice to confirm that you are no longer enrolled in HELP/PSI's Health Home program as well as sending a letter to you confirming the termination of your enrollment in this program. I am also glad to hear that you are now working with Harlem United to acquire the care-management services that you need.

FBI Chief: Citizens Should Be 'Deeply Skeptical' of Government

Americans should be "deeply skeptical" of government power, says FBI Director James Comey, adding that law enforcement should be able to access someone's telephone only with a court order.

"I believe that Americans should be deeply skeptical of government power," Comey told CBS News' Scott Pelley in an interview for "60 Minutes" that will air on Sunday.

"You cannot trust people in power."

"The Founders knew that," he said. "That's why they divided power among three branches, to set interest against interest."

Comey, 53, who became FBI chief in September 2013, cautioned that courts must grant law-enforcement agencies permission to telephones if the information is deemed to be critical to a criminal case or national security.

His comments come in light of numerous leaks since last year by former NSA contractor Edward Snowden revealing that agency's extensive telephone and Internet surveillance programs and cell phones introduced last month by Apple Inc.

Apple's new iOS8 operating system for its cellphones and other devices contains personal encoding software to prevent anyone outside of the phone's owner from accessing its data. Apple will not be able to access the data, **Arstechnica.com** reports.

"The notion that we would market devices that would allow someone to place themselves beyond the law, troubles me a lot," Comey said. "As a country, I don't know why we would want to put people beyond the law."

"That is, sell cars with trunks that couldn't ever be opened by law enforcement with a court order, or sell an apartment that could never be entered even by law enforcement," he continued.

RE: Follow-up letter, and addition information:

Dear Director Fedaracyk:

This communication and attached Chase Bank letter, and other supporting letters, is with regards to my correspondence, dated February 16, 2012, and "9/11" media press statements of truth. The entities mentioned in the beginning of my letter of truth, was to visibly identify the "evil" forces behind the conspiracy, within New York City, State government, and the community at large.

March 25, 2012 this federal whistleblower stated to Congress and the President's respectfully, but boldly, that secret societies and occults or cults, are detrimental to a Nation soul and its people, their very existence breeds deception and corruption. "We" stated in the letter, that I am a victim of government terror and torture. For over thirty-years, this, "evil" force has mentally and psychologically terrorized, this U.S. Citizen (see attached "Depth of Evil"). This is the crux, of the matter before you, and the world, and they have killed, and no! "One is above the law", no one, emphasis added.

This federal complainant's was stalked from New York to Florida, by a "white" male and "African-American" female, the male revealed himself to me, at the Port-Authority bus station on the bus, and the woman made herself known, to me while in Jacksonville Florida, living with family. In addition, 2004, this complainant's was followed from my residence; in upper Manhattan, by an unknown "white" middle age male, who came up behind me and said; "Baxter Suicide or reward". Circumstances stated above, have been daily occurrences in my life and travels, in New York City (see attached, letter to U.S. Attorney). There are people who know me, but, not known to me, this is the *nature and danger*, of cult or occults. The "evil", crimes, and deprivation, are grotesque. And, their responses, devalue intelligent'.

In the matter of Baxter A. Thomas {Abdul Aziz} et al vs. New York City, Probation Officers, Robert Adams, Gayle Davis, et al; State of New York-Division of Parole, Officers, Lisa Hoy, Ronald Meier, Tracy McBride-Johnson, Andrea Daniel, Annie Dejesus, I read about the U.S. attorney and your office recent arrests, of a criminal enterprise, they are all connected, I know of that operation, as well.

Terrorism is the systematic use of terror, especially as a means of coercion. And this is the reality presented to your attention seeking an investigation. The FBI is the Nation's top law enforcement agency, and has the power to enforce civil rights and deprivation of prescribed constitutional rights violations. The matter is before the whole Muslim world, Congress, and media. The truth about "9/11" is my weapon and my unshakeable faith. I thank you for your time, and attention.

CC: U.S. Attorney Bharara

Sincerely,

March 25, 2012

RE: U.S. President and Congress Report: In the matter of Baxter A. Thomas, v. New York City and State Government, et al, pursuant to Human, Civil, and Constitutional Rights violations, abuse and Torture:

Dear Congress and President Obama:

On March 7, 2012, petitioner's presented to the Judiciary Committee, a request and reparation demand, for official deprivation of federal civil rights, and infringement on my rights, while operating under the "color of Law" and "color of State law". The Civil Right Act was designed to protect all persons in the United States in their Civil Rights, and to furnish the means for their vindication.

Petitioner, petition and grievances' are documented in law and before, the City, State, and Federal government agencies, Justice Department and FBI, respectively. The disability to be a citizen and enjoy equal rights were deemed one form or badge of servitude, it was supposed that congress had the power under the thirteen amendment to settle this point of doubt, and place the other race on the same plane of privilege as that occupied by the "white" race.

Conceding this to be true which the court stated, "I think it is, congress then had the right to go further, and to enforce its declaration by passing laws for the prosecution and punishment of those who should deprive or attempt to deprive any person of the rights thus conferred upon" him/or her. Without having this power to make, congress could not enforce the amendment.

It cannot be doubted, therefore, that congress had the power to make it *penal offense to conspire to deprive a person*, or to hinder him/or her in the exercise and enjoyment, of rights and privileges conferred to constitute, the offense, therefore, of which courts of the United States have the right to take cognizance under the amendment, *there must be the design to injure a person or deprive him of the equal right of enjoying the protection of the laws*, by reason of his race, color, or **sexual orientation**, and previous condition of servitude.

Washington Navy Yard shooter had emailed gang stalking support group

A few days ago *The New York Post* reported that prior to his mass shooting rampage in September, the Washington Navy Yard shooter, Aaron Alexis, had sent three emails to the group called Freedom From Covert Harassment & Surveillance (FFCHS).

As explained in detail in the web page about the organization in this website, FFCHS is a front group. Ostensibly it is a support group for gang stalking victims, but it is clearly a disinformation entity.

The federal government – which apparently monitors everyone's phone calls, emails, and Internet activity – failed to intervene despite the shooter's emails (and despite other obvious warning flags). See section 8 (Mobbing & Workplace Violence) of the "What is Gang Stalking?" page of this website for the full details of the case.

The New York Post notes that there are now more questions about the official account of what happened:

"[The emails] also suggest that the bloody rampage was plotted as a revenge attack against the US Navy — contrary to FBI statements that the former sailor did not appear to have had a specific target."

Cover article of this month's *Fortean Times* is about gang stalking

The cover article of the October 2013 issue of the U.K.-based magazine *Fortean Times* is called "Strange Tales of Homeland Security." As the blurb on the cover makes clear, the piece is about "State-Sponsored Gangstalking."

RE: Social Security Administration Acts of Malfeasance, Discrimination, fraud, Islamic Hate and deception:

Dear Congressional Liaison and Advocate:

As per our in office meeting on August 17, 2012, and this Moorish-American Moslem community truth, legal, and human rights activist, telephone communication with the Congressman D.C. office, on August 1, 2012, which is relative to the above references matter herein, and as per your request.

Constituent was astonished and disturb at hearing {Ms. Rivera, Mr. Valbrum, Ms. Mcjmis} that they {SSA} removed the Hyatt Hotel work history that **documented a racist Mexican immigrant utilizing this constituent vital personal I.D. Information, and working at the New York Grand Hyatt Hotel, for 10 years.** A Mexican with the name Baxter Thomas is questionable and for Hyatt's not to pose a question or inquiry is absurd and appalling. 1998 or 1999 when SSA called me in, they ungenerously failed professionally in their duties.

They {the above named} stated that SSA sent me a letter, *which is deceptive on its face*, because if I had received a letter on the matter, I would not had gone in, to request a copy of the work history report. *What is distressing* is that these federal workers are saying that this Moslem is stupid or ignorant or of the standard, which is "ignorant" conforming to the state of the "n" word mentality.

Their responses defile intelligent, which is constituent motivating factor, withstanding constituent persistent quest to put the matter before federal judicial review or the U.S. Supreme Court. *They made too many mistakes*, which is documented. The matter involves a Christian elite criminal homosexual cult or occult terrorist order within the "Black Church", government and community {See Ex. "Christianity is cruel", and acts of "torture"} June 20, 2008, Department of Treasury {DOT}, Joseph D. Oleska, Deputy Director from the office of Identity theft and Incident management acknowledged me and stated in his letter: "we need additional time to research this issue. You should expect to hear from us within 30 days from the date of this letter". No response.

Constituent wrote to Hyatt Inc Corporate office President, Mr. Mark Hoplamazian, dated November 13, 2009, their response is dated January 13, 2010, and I have been in contact with the corporate office recently, and filed legal action notice, with their chief legal Counsel. I forwarded to Hyatt's the IRS work history print-out documenting their Hotel name and they *foolishly lied, when they had the truth before them from the IRS, this same print-out was also given to NYPD, in my communication with the Hispanic Detective in the Bronx, assigned to the I.D. theft case, and blatantly negated it. Because it involve a Christian females and homosexual*

Interview with Baxter Thomas – transcribed by Emily Alpert

BT: My experience with Bronx County Probation Department has been hell. Total madness. My experience with probation officer Robert Adams, with my first probation officer, was total hell. As I have informed you on a recent occasion that this probation officer actually terrorized me, psychologically. Every day that I reported to him, there was a problem. The receptionist used to threaten me. The probation officer would tell me that I was not working without giving him a pay stub, indicating that I wasn't working – I had a legitimate job as a messenger, and I would take my pay stubs to him to prove that I was working, and he would tell me that I was not working and that I was making pay stubs up.

EA: When did all this occur?

BT: This all occurred in 2000-2001. Now, in the year 2000-2001, I go into the office to report, and as I walk into the office, I acknowledged that something was very strange, not proper. Because as I approached his office to see the probation officer, Robert Adams, there were 3 individuals standing around his door. One was the receptionist and two gentlemen. One of the gentlemen I'm very much aware of – I don't know their names, but I can identify them very easily. Now the receptionist, this woman, kind of bothered me, because when I went in to report she would kind of make gestures at me. Signs and symbols. It kind of puzzled me, because I had the idea that she was trying to tell me something. But I didn't want to inquire about it, because I didn't want to inquire with the wrong suggestion that she was making. So I left it alone. And so, on this particular day, as I approached Robert Adams' office, he tells me, 'I'm waiting for you', and as I approached into his office we started arguing because he told me that I had dirty urine. Now, whether my urine was dirty or not, I don't know. I did use about two weeks prior to my visit that day – I did use drugs at that time. It's possible that the urine was dirty. Now, the urine came back dirty and he told me that if I was to suck his dick – that's what he told me – pardon my expression, but that how it came out to me.

EA: That's specifically what he said? He didn't imply it?

BT: He didn't imply it or suggest it – he came with it straightforward and very blunt. He told me that if I do that, he'd forget about the dirty urine. And that's where I got very angry.

EA: What date was this?

BT: I don't have the exact date on hand, but generally it occurred in the year 2000, around the month of September or October, towards the end of the year. I'll never forget it. We started arguing – or rather I started arguing with him. I was very loud and very angry and so it caused a lot of confusion – the probation officer next to his office came over and told us to lower it down. it wasn't where nobody was aware that something was
